

CAMP THUNDER BIRD

A

CAMP FOR BOYS

ON

AN ISLAND IN MILLE RIVER

20 MILES FROM MONTREAL

Operated by Central YMCA

Aug 7 to Aug 14, 1943.

CAMP THUNDERBIRD

A camp for boys who are members of the Central Y.M.C.A. , twelve to fifteen years of age. The camp is situated on an island in the Mille Isle River, near Ste. Eustache, 20 miles from Montreal. Nearby forest land, a large field for games, the vast array of islands in the river to be explored and the romance of living on a small island itself will make this camping experience a memorable one.

EQUIPMENT: The boys will sleep in tents which are pitched on high land. There are wooden floors in each tent. Each boy has a straw mattress. There is a kitchen and dining tent. Small games and craft equipment will be available on the island, and there are sufficient row boats for all to spend a good deal of time on the river, fishing and boating.

SAFETY REGULATIONS: All boating periods, trips, hikes and swimming periods will be supervised by the Director and leaders. A well stocked first aid kit is at the camp and nearby doctors are on call in case of an emergency. The spring-well has been tested and fresh food supplies will be brought in daily. All

attending must have their beginner 's swimming certificates or equivalent - This is necessitated because of the great use of boats at the camp.

FEES The fee (which merely pays the cost of food and up-keep) is set to appeal to the boy of modest means. It is \$7.00 a week, payable in advance. The camp period is for one week, Aug. 7-14. Total capacity is twenty-five so that early registration should be made. Registration forms are provided at the office.

TRANSPORTATION

The camp is reached by the Provincial Transport Bus, fare will be 45¢ return. The boys arrive and leave camp on Saturday.

WHAT TO BRING

A list of equipment that each boy is to bring will be given at the time of registration. Ration books must be brought to Mr. J. J. J. at the Central "Y" on Thursday, before the boys go to camp.

S T A F F

Camp Thunderbird is directed by Mr. A. T. Dodds,
Associate Boys' Work Secretary of the Central Y.M.C.A.
All applications and enquiries should be made to him.

Mrs. Dodds will be the camp dietitian and will assist
the director in many ways.

A carefully selected group of older boys will act as
tent leaders.
